Dickinson's lawn grass mixtures are composed of the finest domestic and imported turf grasses, correctly blended to ensure the best permanent green lawns, and are carefully recleaned to reduce the weed and chaff content to a minimum.

Markets unsettled. Prices for new crop grasses not firmly established, but if you will advise on attached business reply card quantities, packing, and time of shipment wanted, will be pleased to quote firm prices.

Markets firm and active. New crops of most field seeds considerably shorter than normal, which, with increased potential demand due to drouth conditions, has advanced values materially.
